

## PRE-WORKSHOP QUESTIONNAIRE

Dear Participant,

Considering that:

(\*) the key objectives of the workshop are

- to recognize global and regional scenarios for GMOS – biosafety and other issues to be considered ,
- to foster knowledge sharing between regions/countries and professionals and practitioners,

(\*\*) the main topics to be covered are:

- GMO biosafety legal framework and other related policies
- government control and inspection
- approaches and possibilities for public and private sector on GMO research
- biotechnology and biosafety related issues

And that the workshop has been designed to meet these objectives while ensuring maximum interaction among participants with diverse backgrounds, the organizers would appreciate your input in advance of the workshop to enhance the effectiveness of the organization thereof moving forward.

Please take a few minutes to respond and add your comments on the following questions:

**Participant Name:** \_\_\_\_\_

1) Rank the topics in crescent order of importance (1 to 8, where 1 is the least important and 8 is the most important) for your country and/or your institution

	<b>To your country</b>	<b>To your institution</b>
Legal framework and policies		
Coexistence		
Low level presence		
Research aspects		
Labeling		
Segregation		
Improvement of synchronous approvals		
Regional arrangements		

2) Use the key on the list bellow to fill in the table according to the needs/activities of your country/institution; more than one number could be used for each topic presented

1. more information made available
2. more training
3. more research
4. more experience on how to improve the legal framework
5. more opportunities for the south-south exchange of experts

	<b>NEED / ACTIVITIES</b>
Legal framework and policies	
Coexistence	
Low level presence	
Research aspects	
Labeling	
Segregation	
Improvement of synchrony	
Regional arrangements	

Add any comments and or items you consider relevant for future meetings/workshops:
